MEDAL PROGRAM REQUIREMENTS

GENERAL REQUIREMENTS

• Beginning with results from February 1, 2009 and onward. An individual must have a current USEA Membership at the time scores are achieved. This includes the Starter level.

• A horse must be registered as required at the level at which it is competing. Horses competing at the Starter level and Beginner Novice must have at least a USEA Limited Horse Registration at the time scores are achieved.

• Venue is defined by location of the event, not the competition. For example, to earn a medal that requires scores be obtained at three separate venues, an individual could not submit scores from three competitions all located at the Kentucky Horse Park.

STARTER LEVEL

Bronze Medal: Must finish on a score of 45 or less three times - scores must be obtained at two different venues

Silver Medal: Must finish on a score of 35 or less three times – scores must be obtained at three different venues

Gold Medal: Must finish on a score of 30 or less three times – scores must be obtained at three different venues

BEGINNER NOVICE

Bronze Medal: Must finish on a score of 45 or less three times - scores must be obtained at two different venues
