

USEA EVENTING COACHES PROGRAM (ECP)

ECP Certified Coaches on Grounds

The following ECP Certified Coaches will be on grounds during the competition this weekend. They may be available to help, give general advice, walk courses and/or coach competitors, or be contacted for future coaching at or for competitions, as their schedule permits.

Each individual coach will have their own fee structure and each individual coach is responsible for their own liability insurance when coaching riders. Their contact information is provided here as a service to competitors but their presence on this list does not obligate any coach listed to assist a competitor if asked. However, ECP Coaches are ambassadors for the sport of Eventing and will generally try to be helpful if they can do so in a safe and productive way.
