

UNITED STATES EVENTING ASSOCIATION 2026 PARTNERSHIP OPPORTUNITIES

WHO WE ARE

ABOUT THE USEA

The USEA is a non-profit 501 C (3), which serves as the national association for the Olympic equestrian sport of three-day eventing. We are an educational organization committed to providing eventing enthusiasts with a competitive level suited to their individual skills. By assisting and educating competitors, event organizers and officials; maintaining responsible safety standards; and registering qualified competitions and clinics, the USEA offers a strong and continuous training opportunity for an ever-expanding field of world-class competitors. Just as importantly, the USEA provides a means for all riders, regardless of age or ability, to experience the thrill of eventing.

OUR MISSION

The mission of the USEA is to advance the sport of eventing through education of riders, trainers, officials, and organizers, with the health and well-being of the horse of paramount importance. The Association, through the direction of the Board of Governors, continues to strive to make the sport of eventing safe, fun, fair, and affordable to all who join our ranks. The USEA strives to provide riders from Starter to the five-star level with an exceptional eventing experience.

MEET OUR MEMBERS

The USEA membership demographic is a compelling one: affluent, educated, and dedicated to riding horses. Our membership is over 90% female, with the majority between the ages of 35 and 49 who own at least one horse and have ridden and competed for more than 15 years. The membership is spread across 10 Areas of the U.S. with heavy concentration along both coasts, and also includes international members, particularly from Canada. Members compete in the range of all eventing levels from Starter to Advanced, and the average member competes at the Novice level at four to six USEA recognized competitions each year. The average member also typically participates in one to two educational clinics per year. Most USEA members hold at least a bachelor's degree, own their home, and also own a horse trailer and a towing vehicle. The average member has:

\$10,000 - \$30,000 annual equestrian budget

\$300 - \$500 spent per event

\$100,000 - \$150,000 average annual salary

WHAT IS EVENTING?

Eventing is best described as an equestrian triathlon. The sport originated as a cavalry test and is comprised of three phases: dressage, cross-country jumping, and show jumping.

Held over one, two, or three days, eventing is one of the few Olympic sports where men and women compete alongside one another as equals.

DRESSAGE

shows the graceful partnership of horse and rider through a sequence of movements on the flat, receiving marks from judges.

CROSS-COUNTRY

challenges the pair's bravery, fitness, and determination as they navigate a timed course with a series of solid obstacles and varied terrain.

SHOW JUMPING

tests a pair's precision as they clear a course of delicate fences, incurring penalties for knocked/fallen rails.

TEAM CHAMPIONSHIPS

USEA Intercollegiate & Interscholastic Eventing Championships

Stable View | Aiken, SC | May 15-17, 2026

The USEA Intercollegiate Eventing Program provides a platform for eventing teams and individuals to flourish at colleges and universities across the country. The USEA Interscholastic Eventing League (IEL) brings together fifth through twelfth graders with a common bond and serves as a pipeline for participation in the sport in college and beyond. This is a very brand-loyal demographic, and an exciting opportunity for partners to be introduced to upcoming riders, professionals, and supporters amongst the equestrian communities.

USEA COACHES & EDUCATION

USEA Eventing Coaches Program

The USEA Eventing Coaches Program (ECP), formerly known as the Instructors' Certification Program (ICP), educates all levels of eventing coaches to confirm their knowledge base, both theoretical and practical, which they will build upon through their careers. The USEA hosts workshops to train coaches and keeps a database of certified coaches for all riders, students, and competitors to utilize, knowing they have an accredited coach. The USEA offers customized packages for partners in order to market both to coaches and for coaches.

USEA Educational Symposiums

The USEA hosts an annual ECP Symposium each winter. Hundreds of spectators gather to learn, observe, and ask questions. The symposium is a great place to reach coaches, trainers, students, breeders, owners and professional riders, all in one week. On-site branding is available, as well as speaking opportunities in front of a captivated audience.

The USEA Young Event Horse program also offers an educational symposium in the winter months that focuses on the training and evaluation of young eventing prospects. This event is a great opportunity to reach coaches, trainers, professional riders, amateur riders, and breeders with an interest producing the next generation of stand-out equine partners.

USEA EMERGING ATHLETES U21 PROGRAM

The USEA Emerging Athletes U21 Program (EA21) was launched in 2022 with a model of five summertime regional clinics taught by selected USEA Eventing Coaches Program (ECP) certified coaches, leading to a winter national camp consisting of selected Young Riders from the regional clinics. Athletes who are 21 years or younger, are current members of their USEA Young Rider Area program, and are established at the Training Level or higher, are eligible to apply for the EA21 program. This is a great program to gain exposure with the young elite riders of the U.S. The USEA can offer branding on-site at the clinics, and customized experiences at the national camp.
