REMINDERS

A rider competing in any United States Eventing Association (USEA) registered competition, at any level to include *Starter level must hold a Full, Junior, or Life membership. (A fee of \$100 will apply to consider reinstatement of qualifications for the current year championships and current year-end awards only). USEA requires ALL foreign competitors to be members of the USEA in order to compete at USEA recognized competitions.

***STARTER LEVEL:** Effective December 1, 2023, Starter Division is now a recognized level with the USEA. USEA membership and horse registration (limited or full) are mandatory to accumulate year end award points and qualifications for area championships and USEA American Eventing Championships. For more information about starter level visit the USEA website useventing.com/events-competitions/resources/starter-level-regulations.

EVENTING TESTS: DX Eventing, Coach Allowed Test (CAT), or Schooling Show competitors. Participation is open to non-members. To use the USEA Xentry online system, an ID number must be created. We recommend obtaining a **free Community membership**. Go to <https://services.useventing.com> and click on Join/Renew or Click on “New User” to create a profile.

All horses competing in any USEA recognized competition at any level for qualifications and points, including the Starter level or Beginner Novice level, must have a valid **FULL** or **LIMITED STATUS** registration. The USEA will extend a 14-day grace period after the competition concludes to upgrade a horse from Limited to Full status. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider reinstatement of qualifications for the current year championship and current year-end awards only. A fine of \$100 will be required for each inquiry to consider reinstatement.

COMING DEC. 1, 2026 - COMBINED TEST LEADERBOARD: The USEA is excited to offer a new pathway for recognition within our existing competition framework. This new leaderboard will separately track Combined Test results, calculated using dressage and show jumping phases only, to be recognized nationally with year-end awards.

- Competition organizers retain the ability to set entry fees and publish prize lists at their discretion.
- CT points and results do not overlap with recognized Horse Trials. This keeps CTs distinct but respected, avoiding the sense of a “shortcut.”

Riders and horses must be USEA members, and results must come from USEA registered competitions offered alongside recognized Horse Trials or as a standalone USEA competition. Riders must be a current USEA member at the Community level or higher. Horses must be registered with the USEA at the Restricted level or higher. CT competitions must be USEA registered \$150 (if not hosted alongside a recognized HT) and a \$20 starter fee will be applied.

USEA RULES FOR HORSE NAMES: The USEA reserves the right to approve or disapprove all Horse Names submitted. The USEA further reserves the right to require a name change and/or to immediately revoke or deny a horse registration based on a name that:

- Is profane or distasteful.
- Contains a potentially vulgar or obscene meaning.
- May be offensive or threatening to others based upon protected characteristics, e.g., color, creed, disability, ethnicity, gender, national origin, race, religion, politics, or sexual orientation.
- Appears to be designed to harass, humiliate, or disparage a specific individual, group, or entity.
- Any other factor that appears to be problematic.

ALL foreign horses must be registered with the USEA with **FULL** or **LIMITED** status.

The starter fees for all national and FEI competitions is \$35.00. This includes a \$1.00 levied on all starters to generate funds for equine research.

All riders, including Life members, must declare their amateur status each year. Amateur status is defined by the **U.S. Equestrian Federation Rules for Eventing** Appendix 3, Section 1.3. Amateur declaration may be made at any time during the current competition year; however, the benefits of amateur status are not retroactive. Amateur status begins at the time it is declared. Amateur status must be declared annually for each competition season.

As per the **Rule (EV110.2)**, entries are considered complete when all entry and stabling fees have been received by the organizer/secretary. In the case of online entries paid by credit card through Xentry, entries are considered complete upon submission, as the USEA guarantees payment to the organizer. Online entries paid by check are not considered “complete” until the check is received by the organizer/secretary.

REMINDERS

USEA Programs Refund & Cancellation Policy: A full refund may be issued for memberships, program memberships, interscholastic and intercollegiate program enrollments, and horse registrations if a written request is received within **5 business days** of the original transaction date. Refund requests submitted after this period will **not** be honored. All refund requests must be submitted **in writing** to the USEA office. A **\$10 processing fee** will apply to the above purchases, and any applicable administrative costs may be deducted from the refund amount.

Insufficient Funds or Return Checks: All returned checks will be charged a \$50.00 fee, and the USEA membership will be suspended until payment has been resolved with the association.

Credit Card Disputes/Chargeback: For all chargebacks your USEA membership and affiliated horse registration will be placed on hold until your debt to the association has been paid in full. All entry chargeback must be directed to the appropriate event. Please see the competition calendar for competition refund policy.

USEA POLICY STATES:

USEA Starter and Drugs & Medications Fees are not subject to the competition office fee, and shall be returned within 30 days of the completion of the competition to any rider who withdraws prior to the start of the dressage test.

WELCOME

WELCOME TO THE USEA

XENTRY

The USEA's **Online Express Entry System, Xentry**, was created by the USEA as a service to our members. You can enter USEA recognized events from a central and secure website. **Xentry** leverages the USEA's competitions, results, and membership databases to make it easy to create an entry within minutes of logging into the website for the first time. **Xentry** can be accessed at services.useventing.com.

SHOW CONNECT – A COMMUNITY FOCUS EVENT MANAGEMENT SYSTEM

ShowConnect is the premier platform for managing equestrian events—from registration to scoring and results. Designed for flexibility and growth, it supports manual entries, Xentry imports, real-time scoring, and streamlined public views. Whether you're running a local derby or a major championship, **ShowConnect** gives you the tools to focus on what matters: the riders, the horses, and the sport. Visit showconnect.org for more information.

USEA COMPETITIONS AND SERIES

Whether you are a breeder who wants to show off your young horse in the **USEA Young Event Horse** competitions, or an amateur who wants to compete in the **USEA Classic Series**, a student wishing to participate in the **Interscholastic Eventing League** or **Intercollegiate Eventing Program**, or a rider who wants to qualify for this year's **USEA American Eventing Championships, presented by Nutrena Feeds**, the USEA has a program for you! To find out more about all the programs the USEA has to offer, visit our website at useventing.com/events-competitions/competitions

AWARDS PROGRAMS

The USEA has developed multiple awards programs in order to recognize its members for the high level of success they have attained in the sport of eventing. The programs that are available are the **Blue Ribbon Award, Certificate of Horse and Rider Achievement, Eventing Medal Program, and Volunteer Medal Program**. Details on all awards are available on the USEA website under the Awards section and on page 11 of this booklet.

EDUCATIONAL PROGRAMS

The USEA is dedicated to promoting safe education in the sport of eventing. A variety of educational activities, clinics, schooling days, and camps are located on the activities calendar at useventing.com/safety-education/educational-activities

USEA SPONSORSHIP

The USEA has a loyal base of companies and organizations that make our programs possible. Our wide variety of sponsors give their money, time, and products to guarantee that the USEA is able to offer a diverse range of activities to our members! Please take some time to look through the sponsorship material on our website and at our events and support our USEA sponsors. useventing.com/about/sponsor

USEA PROGRAMS

AMERICAN EVENTING CHAMPIONSHIPS (AEC)

The only national championships for the sport of eventing in the United States. Each August, hundreds of juniors, adult amateurs, and professionals travel from all across the nation to meet at one major venue for a chance to be named the best in the country.

YOUNG EVENT HORSE PROGRAM (YEH)

This program gives owners and breeders an opportunity to showcase the potential of their 4- and 5-year-old horses while encouraging them to produce top-level event horses for the future. YEH qualifying competitions consist of a dressage test and a jumping/galopping test. At Championships, conformation is also judged.

CLASSIC SERIES

The Classic Series encompasses the USEA Classic Three-Day Events at the Beginner Novice, Novice, Training, Modified and Preliminary levels. The thrill of the “chase” lives on for those who still want to experience the unforgettable rush of roads and tracks, steeplechase, and cross-country!

ANNUAL MEETING & CONVENTION

The USEA Annual Meeting & Convention takes place each December and brings together a large group of dedicated USEA members and supporters to discuss, learn, and soak up the experience of being surrounded by eventing enthusiasts.

ADULT RIDERS PROGRAM

This program is for all adults 22 years and older, professional or amateur. Adult Riders is about including adults across all skill and experience levels in a supportive program that promotes education, communication, recognition, and just plain fun. Multiple Area programs are an available option when renewing your USEA membership.

YOUNG RIDERS PROGRAM

This program is offered through the USEA for riders 25 years of age and younger. The purpose of the program is to encourage our younger members to become involved in eventing and to promote a love of the sport. Multiple Area programs are an available option when renewing your USEA membership.

EMERGING ATHLETES U21 PROGRAM (EA21)

The aim of EA21 is to create a pipeline for potential U.S. team riders by identifying and developing young talent, improving horsemanship and riding skills, and training and improving skills and consistency. The USEA EA21 Program was launched in 2022 with a model of five summertime regional clinics taught by selected USEA Eventing Coaches Program (ECP) Coaches, leading to a winter national camp consisting of selected Young Riders from the regional clinics. Athletes who are 21 years or younger, are current members of their USEA Young Rider Area program, and are established at the Training Level or higher, are eligible to apply for the EA21 program.

INTERCOLLEGIATE EVENTING PROGRAM

In 2014, the USEA Board of Governors approved the creation of the Intercollegiate Eventing Program as an official program of the USEA. Originally proposed with input from the Intercollegiate Eventing League, the program was established to provide a framework on which eventing teams and individual competitors could flourish at universities and colleges across the country. Collegiate athletic programs have been the training grounds for Olympians, amateur athletes, and professional athletes for generations. Enabling students to train in the Olympic sport of eventing is a natural addition.

USEA PROGRAMS

INTERSCHOLASTIC EVENTING LEAGUE (IEL)

In August 2020, the USEA Board of Governors approved the creation of the USEA Interscholastic Eventing League (IEL) as an official program of the USEA. The mission of the IEL is to bring together junior riders with a common interest and provide a supportive community through which students can continue to pursue their riding interests. This program will also help provide a pathway for those riders who seek to be part of the USEA Intercollegiate Eventing Program as they graduate high school. The goal of the IEL is to increase membership, education, and engagement in riders on a national level who are in 5th through 12th grade.

USEA EVENTING AFFILIATE PROGRAM

USEA Eventing Affiliate Program mission is to offer a safe, fun, fair, affordable environment with an emphasis on education, while fostering a working relationship between organizations serving to strengthen both groups. Our continued mission is to create and promote a vision of the United States Eventing Association (USEA) as a friendly and supportive advocate of the local Eventing Associations.

All members of the Eventing Affiliates program who have not already USEA members will receive a complimentary Digital membership. Affiliate Clubs must submit their membership roster to USEA. The Digital Membership will offer qualifying participants several benefits. Digital Members will have full access to the USEA's online resources, including the Member Rewards Program and digital issues of the award-winning Eventing USA magazine, subscription to all USEA eNewsletters, and access to online competition and educational videos. Digital members will also have voting rights with the association and the ability to make their voice heard in advocacy for the sport of eventing. Participation in USEA Educational Activities, like clinics, seminars and camps, is another perk that Digital Members will be encouraged to take advantage of, as they provide a great opportunity to increase your knowledge base and meet new people who share your love of the sport.

USEA FOUNDATION

Endowed gifts are an enduring way to demonstrate your enthusiasm and commitment to the USEA and the sport of eventing for the future. They also help the Association achieve its vision priorities for the future. Members can honor the important people and horses in their life through the USEA Foundation.

EVENTING COACHES PROGRAM (ECP), YEH COACHES, AND YEH PROFESSIONAL HORSE TRAINERS

Coaches certified through the USEA Eventing Coaches Program have been educated to the highest standards in the teaching of event riding, training, and competing as well as the care of the horse and the development of effective and safe teaching methods.

To learn more about the ECP, visit useventing.com/safety-education/eventing-coaches-program

TRAINING PROGRAM FOR EVENTING OFFICIALS (TPEO)

Eventing officials include judges, technical delegates, course designers, and eventing show jumping course designers. They are all licensed by the United States Equestrian Federation at the "r", "R", and "S" levels. The USEA is responsible for the Training Programs for all eventing officials.

COURSE BUILDER/DESIGNER RESOURCES

Course designers are licensed by the USEF, and the USEA is responsible for their training. Check out the course designers and builders page on the USEA website for information regarding designing and building courses as well as learning to become a course designer.

USEA PROGRAMS

CONTINUING EDUCATION CLINICS (CEC)

The USEA is proud to offer Continuing Education Clinics at the “r”, “R”, and “S” levels for USEF Eventing Licensed Officials. USEF Eventing Licensed Officials are required to attend a Continuing Education Clinic once every three years to maintain their license. These clinics are intended to keep officials up-to-date on the most recent changes and safety updates within the sport.

EDUCATIONAL ACTIVITIES

USEA Educational Activities further the mission of the USEA to make the sport of eventing safe, fun, fair, and affordable for all. Educational activities may include camps, cross-country schooling, clinics, seminars, schooling shows, DX Eventing, and eventing tests.

RESEARCH STUDIES

A big part of the mission of the USEA is ensuring the safest and best experience for all eventers and their horses. One way the USEA carries that out is by funding studies in a wide variety of areas that help keep the sport safe and on the cutting edge.

SAFETY RESOURCES

The USEA prides itself on providing the safest experience for every eventer. Safety studies, rule changes, and new equipment have helped make eventing safer over the last several years. Keep your eye on the USEA website for the latest in safety.

USEA RECOGNITION PROGRAMS

CERTIFICATE OF HORSE & RIDER ACHIEVEMENT

The Certificate of Horse & Rider Achievement is an opportunity to award and recognize our Starter and Beginner Novice riders for successfully completing events. In order to qualify for the Certificate of Horse & Rider Achievement, the horse and rider together must have completed three or more events at the Starter or Beginner Novice level during the same competition year. In addition, both the horse and rider must have an active USEA membership at the time of their competitions.

Note: Starter or Beginner Novice Horse and Riders who have achieved the next award level, the Blue Ribbon Award, will not receive the Certificate of Horse & Rider Achievement.

BLUE RIBBON AWARD PROGRAM

The Blue Ribbon Program is a stepping stone to achieving eligibility for the USEA Medal Program and then heading to the top of the leaderboard. The USEA will post the names of Blue Ribbon qualified horses and riders on the awards section of the USEA website on a monthly basis. To qualify for the Blue Ribbon Award, which is available at the Starter through Advanced levels, a horse and rider combination must place first through third at three events at the same level in a single year. In addition, both the horse and rider must have an active USEA membership at the time of their competitions.

USEA MEDAL PROGRAM

The USEA Medal Program recognizes members through a goal-oriented program within the various levels of eventing. Horse and rider must achieve qualifying scores as a pair. Each pair may earn a Bronze, Silver, and/or Gold medal at the Beginner Novice, Novice, Training, Modified, and Preliminary levels.

To receive your medal, submit the medal application to Cindy Clingman at cclingman@useventing.com. All scores from February 2009 until present can be submitted. Once the scores have been verified, the member or horse owner will be provided with the associated award(s) for the medal(s) achieved. Individual medal winners will earn a pin (at the level won) and certificate. The members or riders name will also be published on the USEA website.

VOLUNTEER INCENTIVE PROGRAM

The USEA Volunteer Incentive Program (VIP) exists to increase the ease of participation, provide incentives, and recognize the tireless efforts of volunteers. The VIP program rolled out an online management portal nationwide. Available through www.EventingVolunteers.com or the smartphone app for iOS and Android devices, the portal is designed to streamline the process for both volunteers and organizers.

The USEA offers a national leaderboard for volunteers, rewarding the USEA Volunteer of the Year at the USEA Annual Meeting and Convention, annually. The Volunteer Medal Program is for volunteers that achieve 500, 1000, or 2000 hours of service logged through www.EventingVolunteers.com. Volunteers may also be recognized locally through their Areas, by tracking hours on the USEA's EventingVolunteers App.

The USEA offers several Award Programs to provide recognition and reward the rider who steadily works to hone their skills at a specific level.

USEA RECOGNITION PROGRAMS

VOLUNTEER ACHIEVEMENT PROGRAM

The VAP was created to recognize volunteers for their education, experience, responsibility, and commitment in different volunteer positions offered at USEA Recognized Events. All volunteers that utilize the Eventing Volunteers App or EventingVolunteers.com are eligible to participate in the VAP. Volunteers can earn virtual badges for eligible shifts in any order, and volunteer hours and shifts count for up to five (5) years after the time of service. The goal of the program is to recognize volunteers for achieving predefined benchmarks that are achievable across all Areas and to help coordinators identify the level of experience of volunteers that sign up for their events.

2026 USEA POLICIES & GUIDELINES

For USEA
Recognized Competitions
and Members of the
Association

USEA MEMBERSHIP POLICY

1. COMPETITOR: A rider competing in any USEA-registered competition at any level, including the *Starter level, must hold a Full, Junior, or Life membership. The USEA will extend a 14- day grace period for Starter level riders to join the USEA, renew their membership or to register their horses, upon the conclusion of the competition. The 14-day grace period extends to upgrade a horse from Limited to Full. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider on a case by case basis a reinstatement of qualifications for the current year championship and current year-end awards, only. A fee of \$100 will be assessed for each inquiry to consider reinstatement.

***STARTER LEVEL:** Effective December 1, 2023, Starter Division is now a recognized level with the USEA. USEA membership and horse registration (limited or full) are mandatory to accumulate year end award points and qualifications for area championships and USEA American Eventing Championships. For more information about starter level visit the USEA website at useventing.com/events-competitions/resources/starter-level-regulations.

USEA Programs Refund & Cancellation Policy: A full refund may be issued for memberships, program memberships, interscholastic and intercollegiate program enrollments, and horse registrations if a written request is received within **5 business days** of the original transaction date. Refund requests submitted after this period will **not** be honored. All refund requests must be submitted **in writing** to the USEA office. A **\$10 processing fee** will apply to the above purchases, and any applicable administrative costs may be deducted from the refund amount.

Insufficient Funds or return checks: All returned checks will be charged a \$50.00 fee, and the USEA membership will be suspended until payment has been resolved with the association.

Credit Card Disputes and Chargeback: For all chargeback accounts your USEA membership and affiliated horse registration will be placed on hold until your debt to the association has been paid in full. All Entry chargeback must be directed to the appropriate event. Please see the competition Omnibus page for competition refund policy.

2. INTERSCHOLASTIC EVENTING LEAGUE (IEL) MEMBER: The IEL Club must register with the USEA by February 15. Students and junior members from 5th to 12th grade may join the IEL by selecting their IEL Club. Those not registering online will be able to fill in the name of their club or ECP coach on the membership form.

3. STARTER LEVEL, REQUIREMENTS AND REGULATIONS:

Refer to useventing.com/events-competitions/resources/starter-level-regulations

4. CLASSIC THREE-DAY EVENT, BN3D AND N3D REQUIREMENTS AND REGULATIONS:

Refer to useventing.com/events-competitions/usea-classic-series/classic-series-guidelines

5. DIGITAL MEMBERSHIP: Open to ALL volunteers who have tirelessly showed their loyalty to the sport of eventing. By volunteering 10 or more hours through **EventingVolunteers.com**. The Digital Membership will be awarded to these well-deserving participants on a yearly basis. Additionally, all members of the Eventing Affiliates who are not already USEA members will receive a complimentary Digital membership.

Affiliate Clubs must submit a roster to USEA. The Digital Membership will offer qualifying participants several benefits. Digital Members will have full access to the USEA's online resources, including the Member Rewards Program and digital issues of the award-winning **Eventing USA** magazine, subscription to all USEA eNewsletters, and access to online competition and educational videos.

Digital members will also have voting rights with the association and the ability to make their voice heard in advocacy for the sport of eventing. Participation in USEA Educational Activities, like clinics, seminars and camps, is another perk that Digital Members will be encouraged to take advantage of, as they provide a great opportunity to increase your knowledge base and meet new people who share your love of the sport. If you are interested in volunteering to start accumulating 10 hours of service towards your upcoming Digital Membership, visit **EventingVolunteers.com** for a full listing of participating events.

6. AMATEUR STATUS: For all returning USEA members, amateur status will transfer automatically to the next competition season. It is the responsibility of each competitor to inform the USEA of any changes to their status. Amateur status begins at the time it is declared and its benefits are not retroactive. A fee of \$50.00 will be assessed for each inquiry to consider activating status at an earlier date.

For the definition of amateur status, please refer to the **USEF Rules for Eventing**, Appendix 2.1.3 Amateur (A). If you are unclear about whether you qualify as an amateur or professional, please email: **amateurinquiry@usef.org**.

7. ORGANIZER: The organizer, or the Chairman of the Organizing Committee of an event, must be a current Full or Life, member of the USEA.

THE USEA MEMBERSHIP REQUIREMENTS ARE WAIVED ONLY IN THE FOLLOWING CASES:

1a. EVENTING TESTS: Such as but not limited to: Intro, DX Eventing, Coach Allowed Test (CAT), or Schooling Show competitors. Participation is open to non-members. For USEA Recognized Combined Tests, riders must be a current USEA member at the Community level or higher. Horses must be registered with the USEA at the Restricted level or higher. A \$20 starter fee will be collected per horse for the Young Event Horse (YEH) classes and recognized CT divisions. CT and YEH competitions must be USEA registered \$150 (if not hosted alongside a recognized HT).

To use the USEA Xentry online entry system, an ID number must be created. ID numbers do not require membership and can be created by going to the USEA home page and clicking on the Login tab. Click "New User?" to create profile. Please note: This is not a membership level. You must pay to compete at the Starter level and above levels.

1b. U.S. PONY CLUB members are exempt from USEA membership and horse registration requirements at the Starter, Beginner Novice, and the Novice levels, if they are participating in a Pony Club sanctioned rally being held in conjunction at a USEA recognized horse trials.

USEA HORSE REGISTRATION AND YEAR-END AWARDS POLICY

All horses competing in any USEA recognized competition at any level, including the *Starter level, must have a valid **FULL** or **LIMITED STATUS**. The USEA will extend a 14-day grace period to register a Starter level horse or, upgrade a horse from Limited to Full, upon the conclusion of the competition. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider reinstatement of qualifications for the current year championship and current year-end awards, only. A fine of \$100 will be assessed for each inquiry to consider reinstatement. Inquiries must be submitted within 30 days after the 14-day grace period has expired.

***STARTER LEVEL:** Effective December 1, 2023, Starter Division is now a recognized level with the USEA. USEA membership and horse registration (limited or full) are mandatory to accumulate year end award points and qualifications for area championships and USEA American Eventing Championships. For more information about Starter level visit the USEA website at useventing.com/events-competitions/resources/starter-level-regulations.

1. All horses must have a **FULL STATUS** registration with the USEA in order to participate in USEA recognized competitions at the Modified level and above levels.
2. ALL horses must have a **LIMITED STATUS** registration with the USEA in order to participate in USEA recognized competitions at the Training level and below, and at Young Event Horse tests.
3. **FULL WEANLING REGISTRATION DISCOUNTED FEE ONLY DURING FIRST YEAR OF LIFE**
(Registry papers or other acceptable ID and proof of foaling date must be submitted at time of registration). Horse must be registered in its first year of life, i.e. April to March to be eligible for this discount.

DETERMINING WEANLING AGE:

- **Northern Hemisphere** (January 1, 2025 - December 31, 2025) - Any foal born in the Northern Hemisphere between January 1 and December 31, 2025 can be registered with the USEA as a Weanling. These foals will be considered yearlings through the USEA database starting January 1, 2026.
- **Southern Hemisphere** (August 1, 2025 - July 31, 2025) - Any foal born in the Southern Hemisphere between August 1, 2025 and July 31, 2026, can be registered with the USEA as a Weanling. These foals will be considered yearlings through the USEA database starting on August 1, 2026.

Due to the later breeding season in the Southern Hemisphere, these dates are meant to even the playing field between foals that are born in the first half of the year, like in the U.S., Canada, and Europe, and those that are born in the second half of the year, in places like Argentina, for example.

4. All horses with a **LIMITED STATUS** registration must be upgraded to **FULL STATUS** registration prior to competing at the Modified level.
5. Restricted Eventing Test Horse registration is used to enter eventing tests using the USEA Xentry online entry system for a Coaching Allowed Test (CAT), Event Derby, Intro, or Combined Test level(s) only. **THIS IS NOT A VALID HORSE REGISTRATION FOR COMPETITION.** Horses registered at this level do not earn award points or AEC qualifications. The results are not posted to the rider or horse's profile.
6. **U.S. PONY CLUB** members that are exempt from the membership requirement stated under USEA Membership also exempts horse registration for Starter, Beginner Novice, and Novice levels when competing in team competitions or Pony Club rallies held in conjunction with a USEA recognized horse trials.

7. YEAR-END AWARD POINTS VERIFICATION: The USEA has established a cut-off date of November 15th for inquiries on competitive records for events held prior to November 15th. While we make every attempt to ensure the accuracy of our members' competitive record, we realize that errors do occur. It is the responsibility of every owner/rider to verify their horse's records.

8. LEADERBOARD POINT SYSTEM:

Refer to useventing.com/events-competitions/leaderboard/leaderboard-point-system.

9. TRANSFER OF USEA HORSE ACCOUNT: The USEA no longer requires the submission of bills of sale for horses registered with the Association. Additionally, the USEA will no longer track horse ownership. Any information on horse ownership provided to the USEA by the Horse Account holder will be used solely for promotional purposes as a benefit to the USEA Horse Account holder, however the USEA cannot acknowledge nor prove horse ownership. When a transfer of a USEA Horse Account has been initiated an email will be generated to the previous account holder on file with the USEA. The primary, or syndicate representative, account holder will be notified. When acknowledgement has been received, the transfer of the Horse Account will be completed. **Please note:** Only one (1) Horse Account per horse. Multiple accounts are NOT allowed and will be merged to the original account. No refunds will be issued for duplicate horse registrations. For questions, please contact the USEA office at memberservices@useventing.com or 703-779-0440 x 1.

USEA RULES FOR HORSE NAMES

The USEA reserves the right to approve or disapprove all horse names submitted. The USEA further reserves the right to require a name change and/or to immediately revoke or deny a horse registration based on a name that:

- Is profane or distasteful.
- Contains a potentially vulgar or obscene meaning.
- May be offensive or threatening to others based upon protected characteristics, e.g., color, creed, disability, ethnicity, gender, national origin, race, religion, politics, or sexual orientation.
- Appears to be designed to harass, humiliate, or disparage a specific individual, group, or entity.
- Any other factor that appears to be problematic.

MODIFIED AND ABOVE PARTICIPATION IN USEF RECOGNIZED COMPETITIONS

To participate in U.S. Equestrian Federation licensed competitions at the Modified level or above, riders, owners, coaches, and trainers must be individual members of the U.S. Equestrian Federation (USEF).

Riders and owners who are not current USEF members, are permitted to obtain one U.S. Equestrian Show Pass fee (\$85) per competition year. If one person holds more than one position, e.g., rider and trainer, only one payment of \$45.00 is required.

POLICIES FOR RECOGNIZED COMPETITIONS

1. All events registered with the USEA must apply for licensure (Modified and above) through US Equestrian in accordance with GR3. Endorsed status (Training and lower) events are approved by the USEA Executive Committee; upon approval the event profile will be submitted to US Equestrian. US Equestrian will assign a competition ID#. New events and any modifications to dates, levels and location of existing events, are subject to the USEA and USEF review process, to include, organizers, area councils, USEA Competitions, Calendar and Rules Committee, USEA Executive Committee, USEF Calendar Working Group, USEF Eventing Sport Committee, and International Disciplines Council (where applicable).

2. The organizer or the Chairman of the Organizing Committee of an event must be a current Full or Life member of the USEA.

3. The event prize list must be posted to the USEA website. The USEA Event Registration Fee is \$350.00. Competition liability insurance is included in the registration fee, meeting US Equestrian General Regulations. The registration fee and prize list are due 30 days from the opening date of the competition.

Organizers are responsible for submitting the prize list directly to the USEF 30 days prior to the start of the competition to prizelist@usef.org. The USEA will provide the necessary material that is required under US Equestrian General Regulations.

Any event pending the USEA event registration fee will not have the prize list posted online until the registration fee has been paid.

5a. At horse trials, three-day events, CCIs, collect a starter levy fee itemized on the entry form of \$35.00 for each horse at the Starter through Advanced level, including FEI levels, that start in the competition. This applies even if one or all phases of the event are cancelled once the event has commenced.

5b. Starter Fees: Competition Starter Fees are a tariff imposed by the USEA on each starter in USEA recognized competitions. Such fees are collected by the competition management on behalf of the Association. Per USEA Policy, Starter Fees are due in the USEA office within ten days after the completion of the competition. If such fees are not received within such time, competition management will be notified of the situation; when such fees are not paid within 30 days after the completion of the competition, the next competition(s) will not be posted online and may lose its status as a future USEA recognized competition until such fees are paid in full.

5c. Drugs and Medications/Endorsement Fee: The USEA has an agreement with U.S. Equestrian Federation (USEF) whereby the Beginner Novice, Novice, and Training levels are covered by the rules, regulations and hearing processes of the U.S. Equestrian Federation Inc. and all levels of competition may be subject to the U.S. Equestrian Federation Drugs and Medications program.

Pursuant to that agreement, a drug fee may be imposed by the USEA on each horse in competition in lieu of the drug fee imposed by the U.S. Equestrian Federation (USEF) and is paid by the competitor with the entry. The amount of the drug fee shall be set by the USEA Board of Governors. Organizers shall collect any such fees on behalf of the organization and remit them within ten days of the completion of the competition. Failure to comply with this requirement will result in the competition losing its status as a USEA recognized competition and, the next competition (s) will not be posted online until such fees are paid in full.

6. Refund Policy for Withdrawal of an Entry Prior to the Start of Competition: After closing date, the refund policy published in the Prize List by Competition Management will apply, except that Starter Fees and Drugs & Medication Fees shall be returned to any competitor who withdraws prior to the start of the competition, regardless of the date of the competitor's withdrawal. Refund of Starter Fees and Drugs & Medication Fees to qualifying competitors shall be made within 30 days of the completion of the competition. USEA Starter Fees and Drug and Medication Fees are not subjected to any office fee.

7. Post Competition Report: All USEA recognized competitions must submit the competition results via email using the USEA template, within four days of the competition to results@useventing.com. All fees and additional documents (where applicable) are due to the USEA Office within 10 days of the competition.

8. Adhere to pertinent USEA directives and memorandums.

9a. Agree to a pre-event inspection by the technical delegate prior to the start of the competition.

9b. New Event (national levels only): As defined by USEA (see below), will provide a one-time only reimbursement, up to \$500 towards the technical delegate's fees and travel expenses to and from the event. The organizer is responsible for housing and meals.

NEW EVENT DEFINED AS:

1. An entirely new event, with new organizational staff and over new cross-country courses.

2. An experienced organizational staff running an event over a new competition site with all new cross-country courses.

- An existing event adding a new level of competition or an additional date to the calendar is not considered a new event.

3. An all new organizational staff (organizer and secretary) taking over an existing cross-country site that has not been used for two or more years.

10. Officials: The Technical Delegate, President of the Ground Jury, and Course Designer must be stated in the Prize List for each competition. A competition may not be published or posted if these officials are not named.

LEVELS OF COMPETITION

1. There is no restriction on the number of levels that may be held at any registered event. However, organizers must use their judgment and not run more divisions or accept more competitors than can be reasonably handled without adversely affecting the safety or the quality of the event.
2. The USEF Eventing Sport Committee, or the USEA Executive Committee, in cases where the event is not licensed by the Federation, reserves the right to restrict the number of levels and/or competitors at any registered event, if this is deemed necessary in the interest of the sport.

COMBINED TEST/EVENTING TESTS

1. Organizers may also offer “Tests” in conjunction with their horse trials. Refer to **Sub- Chapter EV-3 - Rules for Tests**. USEA competition guidelines for combined tests are on page 9 of this publication.

2a. Combined Tests: If a Combined Test offers the cross-country phase, qualifications to compete are the same as for Horse Trials. USEA membership and horse registration are mandatory to accumulate year end award points for the CT Leaderboard. USEA registered Combined Tests are subject to a \$20 starter fee.

2b. Eventing Tests: Eventing Tests are exempt from the Association fees (Starter & D&M), Young Event Horse Tests are assessed a \$20 USEA Starter Fee.

GENERAL GUIDELINES

1. If schooling of any kind is permitted at the end of the scheduled day of competition, the USEA highly recommends that these sessions are properly supervised, and adequate insurance coverage is obtained by the organizer. The application for Educational Activity insurance is available on www.useventing.com under **Safety + Education - Educational Activities**.
2. Only stabling approved by the organizer is permitted. Stalls made from rope, string, or wire is not permitted. Pipe corrals are acceptable.

USEA CHAMPIONSHIPS

AMERICAN EVENTING CHAMPIONSHIPS

The USEA Horse Trials Championship (AEC) will recognize and reward the top horse/rider combinations from the Starter through the Advanced levels. Horses and riders must qualify over a 14-month period. Refer to the AEC information page on www.useventing.com/aec.

ADULT TEAM CHAMPIONSHIPS

The team championship to be held in conjunction with the American Eventing Championship for the levels Starter, Beginner Novice, Novice, Training, and Modified. Qualifying criteria and other eligibility requirements are found under the AEC section of the USEA Website.

AREA CHAMPIONSHIPS

The USEA is divided into 10 Areas and each one hosts an annual championship with its own set of qualifications, levels, and prizes. Area Championships are a great stepping stone to the national championships at the USEA American Eventing Championships. Refer to the Area Championships information page on www.useventing.com.

INTERCOLLEGIATE & INTERSCHOLASTIC EVENTING CHAMPIONSHIPS

Beginning in 2026, the USEA Intercollegiate & Interscholastic Eventing Championships will be hosted as a standalone event only open to program participants. The event will be hosted on rotating dates with the first year scheduled for May 15-17, 2026, and the second year on May 7-9, 2027. The first two-year bid has been awarded to Stable View to again serve as the host venue. Refer to the Intercollegiate Eventing Program information page on www.useventing.com.

YOUNG EVENT HORSE CHAMPIONSHIPS

The USEA Young Event Horse (YEH) Championships host West Coast and East Coast Championships. In 2026, the East Coast Championships will take place October 15-16 at Fair Hill (Elkton, MD), and the West Coast Championships will take place October 23-24 at Twin Rivers Ranch (Paso Robles, CA). The judges will be Marilyn Payne (USA) and Chris Ryan (IRL). Refer to the Young Event Horse information page on www.useventing.com.

USEA COMBINED TEST POLICY

DEFINITION

A USEA recognized combined test comprises two of the three tests of a horse trial and takes place on one day, during which the competitor rides the same horse in both tests. Each competitor's scores from both tests are added together to determine the result. Riders may compete with more than one horse in a combined test. If a cross-country phase is offered, horse and rider qualifications shall be the same as the qualifications to compete in a horse trial of the same level. There are no set qualifications if the combined test consists of the dressage and show jumping phases.

COMING DEC. 1, 2026 - COMBINED TEST LEADERBOARD: The USEA is excited to offer a new pathway for recognition within our existing competition framework. This new leaderboard will separately track Combined Test results, calculated using dressage and show jumping phases only, to be recognized nationally with year-end awards.

- Competition organizers retain the ability to set entry fees and publish prize lists at their discretion.
- CT points and results do not overlap with recognized Horse Trials. This keeps CTs distinct but respected, avoiding the sense of a "shortcut."

COMBINED TEST POLICY

A. For USEA recognition, the dates and divisions must be approved by the area chairman and the appropriate registration fee(s) paid to the USEA at the appropriate deadlines. All USEA recognized competitions must submit all documents and fees due, if applicable, to the USEA Office within ten days of the competition.

B. Riders and horses must be USEA members, and results must come from USEA registered competitions offered alongside recognized Horse Trials or as a standalone USEA competition. Riders must be a current USEA member at the Community level or higher. Horses must be registered with the USEA at the Restricted level or higher. CT competitions must be USEA registered \$150 (if not hosted alongside a recognized HT) and a \$20 starter fee will be applied.

C. A Federation licensed judge is required. If the combined test offers a cross-country phase at the Intermediate or Advanced level, then the Federation Official must be selected from the roster of "R" (intermediate) or "S" (advanced) Licensed Eventing Judges. Other judges may be Federation Licensed Judges, participants or graduates of the USEA Training Program, or knowledgeable horseman.

D. In both the cross-country and show jumping phases, timing is optional. If timing is used, it must conform to the ***US Equestrian Rules for Eventing*** appropriate to that phase.

E. If a combined test consists of the dressage and show jumping phases, a competitor may enter the same horse in two consecutive levels.

F. The same horse may compete in both a horse trials and a combined test that is offered at a competition provided the horse only competes over one cross-country course. The horse may compete for placing in the final classification if the levels are the same or consecutive. If the levels are not consecutive, the horse may compete, however, he may compete for final placing in one level only and must ride the other level Hors Concours.

G. Schooling and warm-up areas should be supervised.

H. Whenever horses are tied in the final classification, the horse with the least number of faults (jumping and time) in the show jumping or cross-country test shall be placed first. If still tied, the best score of the collective marks of the dressage shall prevail. If still tied, placing's and awards are to be duplicated.

I. USEA combined tests shall conform to the current ***US Equestrian Rules For Eventing***.
Also refer to Sub-Chapter EV-3 - Rules for Tests.

HISTORY OF THE USEA

The United States Eventing Association, a 501 (c) (3) non-profit educational organization, was founded as the United States Combined Training Association (USCTA) in September, 1959, the vision of Alexander Mackay-Smith, who felt that in addition to the American Horse Show Association and United States Equestrian Team (now merged as the United States Equestrian Federation), a third organization was needed to promote the fledgling sport of Combined Training (now known as Eventing) in the United States. Initially the association's roster included just two dozen names, including Mackay-Smith and other notables such as Jack Fritz, Philip Hoffman, Roger Maher, and Lana Wright (née DuPont). Today it boasts more than **13,000** members. Each year more than **35,000** starters run at over **210** USEA-recognized competitions throughout the country.

The mission of the USCTA in 1959 and of the USEA in 2025 remains much the same—to make eventing safe, fun, and fair to all who join the USEA ranks, while at the same time promoting this incredible sport to the public. As a service organization, the USEA is dedicated to advancing the sport by educating riders, trainers, organizers, officials, the media, and volunteers, with the health and well being of the horse of paramount importance. By assisting and educating competitors, event organizers, and officials; maintaining responsible safety standards; and registering qualified competitions and clinics, the USEA offers a strong and continuous training opportunity for an ever-expanding field of eventers, from Starter to the Olympic level.

USEA STATEMENT OF PRINCIPLES

The sport of Eventing, in relation to English riding and horsemanship, embraces the principle that training of the horse and rider in the elements of classical dressage, combined with training of the horse and rider in jumping obstacles, will improve the performance of both across country.

From its inception in 1959, the United States Combined Training Association, since 2001 known as the United States Eventing Association, has sought:

To educate horse owners and riders in those principles and practices of horsemanship embodied in the term Eventing, and founded upon the essential relationships of classical dressage to cross-country riding;

To promote through such education the safe, healthful, humane, and effective training, use, and care of horses;

To educate horse owners and riders in methods of evaluation of the abilities, state of training, and condition of both riders and horses, as measures of achievement and a foundation for further training;

To sponsor or encourage persons to develop facilities for testing and evaluating the abilities, state of training, and condition of both horses and riders;

To sponsor, organize, or encourage persons to organize horse trials, combined tests, two-day events and three-day events under the rules of the U.S. Equestrian Federation (USEF), and the Federation Equestre Internationale (FEI), the world governing body for horse sports;

To sponsor, organize, or encourage persons to organize educational forums and practical training clinics in furtherance of any of those purposes;

And to work cooperatively within the scope of its purposes with other organizations such as the USEF, FEI, USPC, and AHC, as well as national breed associations.

Implicit in the work of the USEA, and central to its philosophy, is the welfare of the horse. At each of the levels of prescribed testing, the horses and riders are subjected to distinct tests of physical agility, strength, and endurance, as well as mental and emotional preparation. The horse must be healthy, fit, prepared, and willing in order to perform.

The rules of the USEF, which are observed by the USEA, call for safe, secure, and comfortable stabling, with proper arrangements for the procuring of feed and water, the availability of veterinary and farrier support,

and the layout and construction of arenas and courses with jumpable obstacles appropriate in difficulty to each specified level. The rules forbid cruelty and provide severe punishment for any violation.

At the heart of successful training is continuous interaction between rider and horse which may simply be expressed as “ask-receive-reward.” Out of this process, the horse-rider combination achieves mutual respect, realization of mutual dependence, and mutual trust.

The Board of Governors of the United States Eventing Association hereby embraces the Code of Conduct as promulgated by the FEI, as it may apply within its sphere of activity and authority. To this end it is stated:

- 1.** In Eventing, the horse must be considered paramount of importance.
- 2.** The well being of the horse shall be above the demands of breeders, trainers, riders, owners, dealers, organizers, sponsors, or officials.
- 3.** All handling and veterinary treatment must be directed toward the health and welfare of the horse.
- 4.** The highest standards of nutrition, health, sanitation, and safety shall be encouraged and striven for at all times.
- 5.** Members and competitors shall be advised to make adequate provisions for ventilation, feeding, watering, and maintenance of a healthy environment during transportation.
- 6.** Emphasis shall be placed on increasing the education and training of both horse and rider, and in promoting scientific studies in equine health.
- 7.** In the interest of the horse, the fitness and competence of the rider shall be regarded as essential.
- 8.** All riding and training methods must take account of the horse as a living entity. It must not include any technique considered by the USEF to be abusive.
- 9.** The USEA continues to work with the USEF to maintain adequate controls in order that persons and bodies under their jurisdictions respect the welfare of the horse.
- 10.** The USEA will encourage its members to adhere to these principles in training as well as in competition.
